### Journal of

German Association for Water Management, Wastewater and Waste (DWA)

### Topics

*KW Korrespondenz Wasserwirtschaft* is the journal of DWA for general water management issues: hydrology, water resources management, surface water and soil, hydraulic engineering, hydropower, aquatic ecology, digitalization, groundwater, hydromechanics, flood protection and storm water.

Beyond that, there are cross-sectional topics such as law, economics, education or international cooperation. In addition to detailed technical papers, KW offers comprehensive information from the industry: updates on the work of the DWA committees, current news from science and practice, bulletins, people, jurisdiction, dissertations, books and other media as well as events.

### Traget Group

Top decision makers in municipalities, water management offices and operators, technical consultancies and other industry.
